Always look for this mark of quality

More Choices Means More Sales

Expand the appeal of your concessions offering with this compact and versatile Condiment Bar from Nemco that makes it easy to customize food orders—either behind the counter or in a convenient self-serve line.

A Perfect Little Crowd Pleaser

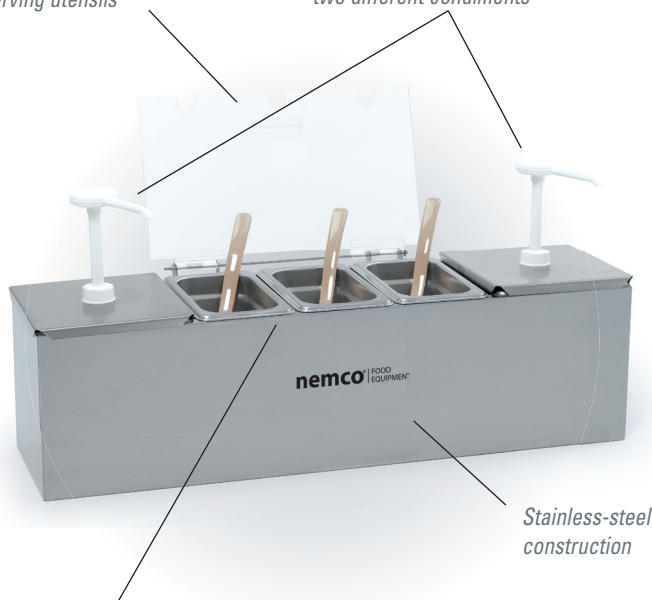

- Two 3-quart pumps bookend one 6.1-quart, dry-well compartment that can be configured to hold multiple sauces or garnishes—all told, you can offer up to five different fixin's!
- Small footprint finds a place on any countertop, out of the way, yet easily accessible.
- Simple, stainless-steel design and disassembly make cleanup a breeze, so it's always presentable.

Built to Serve. Built to Last.

- Can hold chilled items thanks to the insulated stainless-steel body that retains the temperature of the internal ice pack (*not included*).
- Clear plastic cover with ladle cutout(s) means the contents remain shielded, yet visible, when not in use.
- Pumps activate with ease—even for a child.
- Stainless-steel construction holds up to the toughest kitchen environments and self-serve crowds.

Plastic cover with cutouts for serving utensils

3-quart pumps can accommodate two different condiments

Stainless-steel construction

Middle 6.1-quart dry well can hold one serving pan or three smaller pans

Suggested Uses

Concession operations of all types and sizes can set this unit on almost any self-serve countertop or pass-through window. It can also find a place near any back-of-the-house cooking station for easy food-order finishing.
