PAELLA GRILL SOLID FUEL

SPECIFICATION SHEET

CP-PAE-SF-120

SPECIFICATIONS

The CHAR® Paella Grill enables versatile direct and radiant heat in a solid fuel grilling station. Available in 48", 72", 96", and 120" round sizes, there is a size for every kitchen. This unit can serve as a single grill or multi-station grill to be operated by a single chef or multiple chefs, based upon your needs and requirements. The units are constructed with 304 stainless steel with a ceramic insulated exterior and refractory stone cooking surface. The ash collection cart allows for quick clean up during your cooking processes and for easy disposal of ash after hours.
